COMMENTS FROM THE TOWN MANAGER'S OFFICE

There will be a hearing on Shoreland Zoning Ordinances Feb. 20 at 7:00 p. m. in the auditorium at Telstar. An article in the Town meeting warrant to see if the town will accept the ordinance. The law requires a public hearing prior to the town meeting.

Papers were returned from 12 individuals for the three selectmen/assessors positions.

The town has been approved for a position in the C.E.R.T.A. Program. This person will be assigned as attendant at the dump. We have been told we must hire someone that is sent to us from the Unemployment Security Commission. Unless a person has been referred to us it will accomplish nothing to contact us as we cannot hire without the necessary approval.

The auditor finished his work Tuesday of this week. If they can get the report back to us Friday we can have it in the town report.

SCHOOL DISTRICT #44 BOARD PONDERES BUDGET DILEMMA

At their meeting on Monday evening of this week at Telstar Regional High School, the S. A. D. 44 board of directors pondered the question of where to cut \$138,535.44 from a tentative budget of \$2,002,297.60 to equal the \$1,863,762.16 of estimated receipts for fiscal year 1976.

Figures were presented to the board that showed a possibility of the figure being realized by making staff cuts of six teachers at the secondary level, two in the elementary schools, eliminating teacher aides; abandon plans for a vehicle maintenance garage; eliminate secondary school department heads, and drug counselor; eliminate stipends paid some sport coaches. These cuts along with savings in other areas resulting from elimination of services would equal \$138,535.44, if current pay levels were maintained.

The board took no action with regard to instituting any cuts or elimination in the program at the Monday meeting. Further discussion on the matter and possible other areas where cuts could be made will take place at the next regular board meeting on Monday, Feb. 17.

Mrs. Marilyn Thayer and David Tripp were approved as art and production advisors, respectively, of the Telstar yearbook for the current school year.

Board members not present Monday evening were: John Gasser, Clarence Remington and Margaret J. Tibbets, Bethel.

MONKS' TALK ON "ENERGY" CANCELLED—TO BE RE-SCHEDULED

The talk on "Maine's Energy Future" by Robert Monks—scheduled for last Sunday evening was cancelled as Mr. Monks was unable to make flight connections from Washington, D. C., due to inclement weather. The Bethel Democrats, sponsors of the program, are planning to reschedule the program for a future date. Apologies to anyone inconvenienced by the change of plans.

NEW VISITING HOURS AT RUMFORD HOSPITAL

New visiting hours at Rumford Community Hospital will take effect starting Monday, Feb. 17, as follows: medical and surgical floors, 11:00 a. m. to 1:00 p. m. and 6:00 p. m. to 8:00 p. m.

Previous hours were from 11:00 a. m. to 8:00 p. m. The change to shorter hours was made to allow nursing personnel adequate time to do procedures necessary for good patient care, and to allow patients time for needed rest.

Visiting hours on the children's unit and in maternity will remain the same, and are as follows: children's unit, 11:00 a. m. to 12:00 noon and 4:00 p. m. to 5:00 p. m.; maternity, 2 p. m. to 4:00 p. m. and 7:00 p. m. to 8:00 p. m.

There will be a Public Hearing on the "Shoreland Zoning Ordinance for the Town of Greenwood" at the Locke Mills Town Hall, February 18, 1975, at 7 p. m.

LOCAL BALLOT HAS CONTESTS FOR MARCH 3 VOTING

Eight candidates will vie for two three-year terms on the Bethel board of selectmen/assessors in the annual voting on March 3. Desiring to defeat incumbents Bradley R. Barker and Arlan Jodrey, both seeking re-election, are David C. Crockett, John C. Carlson, Ernest Angevine, William H. Lynch, Jeffrey Prest, and Peter Haines. (Through error in the past two issues of the Citizen, it listed George Haines as planning to seek the positions.)

Four candidates turned in nomination petitions before the filing deadline on Monday of this week for the two year term on the selectmen/assessors board. Seeking this local office are: Merton T. Brown Jr., Stanley R. Howe, Dana Bean and Robert L. Blake.

The pair of seats on the S. A. D. 44 board of directors have attracted four candidates. Seeking re-election is John Gasser. Others seeking a school directorship are Randall J. Littlefield, Ann R. Patten, and Paul Bodwell. It was the decision of Margaret J. Tibbets, current vice chairman and a three year member of the panel, not to seek re-election.

GOOD COOPERATION BETWEEN SKIERS AND SNOWMOBILERS IN SUNDAY RIVER VALLEY

Excellent cooperation has been reported between skiers and snowmobilers in the Sunday River Valley. Although conflicts arise in many areas throughout New England over trail use between the two groups of winter sports enthusiasts, members of the Bethel Snow Twisters and the Bethel Area Ski Touring Association are working very closely to avoid such problems here.

Members of the Snow Twisters have recently re-routed a portion of the trail through Sunday River to avoid destroying ski tracks maintained by Sunday River Ski Touring Center. This new trail is a portion of a trail system which now links Bethel to Newry and Andover and may one day allow snowmobilers to travel to Grafton Notch, Colebrook, N. H., and even to Montreal.

The Selectmen met with Norman Worthing and Verne Scribner of the State Dept. of Transportation Wednesday to discuss the possibility of reconstructing a section of the State Aid Highway at Sunday River, at the intersection of the Skiway road. This would eliminate a blind spot which has been the scene of several accidents and near accidents. \$6,715.00 in match State Aid Funds is available for this project, plus \$533 in unmatched State Aid Funds. Completion of the project would require appropriation of either four or six units of State Aid Funds at the annual Town Meeting. If the \$533 in unmatched funds were used, appropriation of four units would mean raising \$1599 by taxation, six units would require raising \$2665. Appropriation of four units would give a total joint fund of \$15,670.20, six units would net \$20,147.40.

The Selectmen are investigating the possibility of purchasing a Surplus Army truck for the Highway Department. Information on this will be presented at the Town Meeting in March.

The Ladies Extension Group is scheduled to meet Feb. 18. Subject: International Meeting, Germany. Josephine Tripp, leader, meeting time is 1:15 p. m.

Neighbor Bible Study Group met last week; Freda Robertson, leader. The meeting will be held at Elsie Flanders, Thursday evening with Virginia leading the group.

Mr. and Mrs. Lee Swan, Barre, VT., and Mr. and Mrs. Walter Enman, Buckfield, were in town during the week end.

Mrs. David Lee and daughter, Cheryl, Bangor, visited Mr. and Mrs. Warren Powers and family last week end.

The February meeting of the Newry Mothers Club was held Monday evening at the home of Persis Post.

A donation of \$50.00 to help defray expenses of supplies for new Bethel ambulance was made.

Home made valentines were exchanged, Valentine games played and appropriate Valentine Day refreshments were served.

Some members will make cup cakes for the Valentine party to be held by pupils of Raymond Foster school, Friday.

Next meeting will be held March 10. Members will dress for a masquerade.

Handmade articles or things for while elephant sale will be brought to this meeting; a portion of the proceeds going to the club.

— Olive Davis, Corres. —

Mrs. Alexander Runyon and Jahna spent the week with her father, Lenwood Andrews while her mother, Mrs. Hazel Andrews was in the hospital. Mrs. Andrews underwent surgery at the Stephens Memorial Hospital Monday. She will return home the first of the week.

Another snowstorm hit us Wednesday and Thursday, accumulation about eight inches. The plow broke us out again Thursday night.

Mr. and Mrs. Ellis Davis went to Ledgeview Memorial Home and showed pictures on Hawaii to those able to come downstairs to the recreation room to see them.

We were glad to see Mr. and Mrs. Earl Wynaught and Lizzie Russ with her roommate there. Mr. Wynaught is a lot better we are glad to say, than when we saw him at Cozy Inn Home. There were 15 or 20 ladies and gentlemen present to enjoy the pictures. Evis Harlow was the attendant for the program.

Franklin Grange #121 met at their hall with Master Stephen Seames in the chair. The night was cold but the hall was comfortable. The following program was carried out.

Patrotic songs like Old Glory, Yankee Doodle, Tramp, Tramp and Dixie were sung with recorder accompaniment. A roll call on Henry Wadsworth Longfellow was responded to by the members with poems and history of his life given. Ellis Davis, a satire on his life in an amusing form.

The Liberty bell was presented on a drawing sheet and a bit of the history read by Olive Davis, followed by about ten early American flags displayed with early history of them read by ten members. The closing thought on Longfellow was given.

The band rehearsed after the meeting. We were glad to have Richard Felt join us with his harmonica and joined with Charlotte Cole for some good music. A balanced snack bar was well patronized. The next meeting will be Hobo Night in charge of Carl Brooks. We hope some visitors will join us March 17.

Ricky Wing, Randy Baker and Clay Andrews went to Daytona Beach, Fla., to the races this week.

Mr. and Mrs. Harold Wilbur and family, Sheldon Morgan and a friend, went to Florida. Lonnie Hadley and Calvin Mason, also went to Daytona Beach, Fla., to the races.

Terry Berryment was given a bridal shower Saturday afternoon Feb. 8, at the home of Kelly Wing. She received many nice gifts. Those attending were Joan and Jo Ann Poland, Rachel, Judy

Dr. Young was in town Sunday morning. Russell Yates was in Rumford one morning this week. Barbara Yates called on the Estes Yates recently.

Mr. and Mrs. David Fleet went to the carnival ball at Teistar Saturday evening.

I'll be glad when the weather is warmer, then maybe some news will thaw out.

Not many cars going to Ketchum, but a lot going up the Ski way road even bus loads on the week end.

Some woods work is going on up toward Ketchum. Some cars around the neighborhood refused to start on the cold mornings.

Mrs. Fox's mother was in town Friday morning.

There was a large flock of evening grosbeaks at a neighbor's feeder. They surely enjoyed a breakfast of sunflower seeds.

Mrs. Arthur Andrews and family. Mrs. Davis talked with her sister, Ethel Towne while there, who lives with her daughter, Mrs. Arthur Kilborn in Bridgton.

The temperature went up over 34 today. What a change from last week (18 below).

Mr. and Mrs. Ellis M. Davis went to Bridgton Saturday to visit with Lillian Harmon and Mr. and

Upton

— Mrs. Arline Bernier, Corres. —

Thursday, Feb. 6, I saw a robin in a mountain ash tree. He certainly was a strange sight in February. Since then, I have reports of two other people seeing robins in the area and one has a mourning dove around her house.

Fred and Mae went to a dealers meeting in South Paris and each won a door prize. Fred got an electric mixer and Mae got a case of motor oil.

Alan Fuller was in Upton Sunday and called on people in town.

The Ladies Aid held a business meeting at the home of Marilyn Brennan Saturday. The plans for

a supper being held Feb. 15 were discussed. Proceeds from the supper is to be used to buy a tape deck for the school bus.

The hills of home looked mighty
good as I returned on Tuesday,

a fold of those hills, nestled above
the expanse of whiteness, the pond,
and was indeed a welcome sight.

In the night I got out of bed

above Patch Mountain for "my"
star hanging low; the vivid pic-

Letters to the Editor

Feb. 12, 1975

Dear Editor:

I have attended most of the Telstar home basketball games this past season and despite a losing season I have enjoyed, up to a point, watching the games.

The team worked very hard under extreme pressure and difficulties trying to pull things together. Any boy willing to sacrifice that much time and effort in long practice sessions loves the game and will put out 100% in a contest. But, he will make mistakes and these mistakes don't call for abusive, degrading shouts from local adults who are supposedly mature and interested in the future of our youth.

The two officials who know the sport are appointed to referee a game of rules built around and emphasizing fair play and sportsmanship. They also are human and make mistakes but again we have a few local adults who get carried away with loud derogatory remarks to the officials. First, these remarks never help the team effort, second, the person making these remarks has either never played the game or certainly never had to referee a game. And thirdly, if this is the kind of example that is being displayed to our younger spectators through our tax dollar then, on principle, I am against the athletic program in our schools.

It is the coach's responsibility to inculc in his players fair play. It is the school administrators' and teachers' duty to inculc in the student good sportsmanship. (I. e. There will be no booing when an opponent is on the foul line.) As for the adults, they should already know the ethics of basketball.

IN MEMORIAM
In Memory of my Great-Grandfather, who died at age 99, Jan. 27, 1975:

I may have left you, but do not mourn me—
Death cannot finish the likes of me. When my body was frail and weak I sought relief in eternal sleep; Though my eyes are blind and my ears don't hear
The spirit of an old man still hovers near;
Aim for the highest, as high as you can see;
And there in the highest you will find me.

TELSTAR GIRLS SKIERS TRIUMPH

Telstar and Lewiston High girls skiers swapped victories in two events of a meet at Mt. Abram Wednesday. Telstar's perfect score in cross-country accounting for a 191-45 triumph. Lewiston had a 97.5 to 91.43 spread in slalom but Telstar cleaned up the first ten places in gaining the cross-country leadership 100-71.77, making the final totals 191.43 for Telstar and 189.27 for Lewiston High School.

MOVIES A FEATURE OF "BACK HOME AGAIN" WINTER CARNIVAL WEEK

"Back Home Again" will become a reality on Tuesday evening, Feb. 18, for those attending the Bethel Winter Carnival as it again becomes possible to take in a movie in Bethel. A double feature will be shown at Bingham Auditorium beginning at 7 p. m. W. C. Fields and Mae West in "My Little Chickadee" will precede "It Happened One Night," with Clark Gable. At intermission, Ms. Nancy Willard of UMPG will give a talk on "Self-defense," a topic on which she has recently written a book. There will be no charge for this evening of entertainment—part of the week-long Bethel Winter Carnival.

SNOW SCULPTURE TO BE VISIBLE ASPECT OF CARNIVAL

One highly visible aspect of the Bethel Winter Carnival will be the Snow Sculpture Contest. There have been several recent adaptations in contest rules. After submitting the required but free entry blank, families, groups, and individuals may begin AT ONCE to construct their entry at a location of their choice. Judging will take place on Wednesday morning, Feb. 19, with prizes in different classes to be given out at the Awards Dinner sponsored by the Bethel Rotary Club at Mt. Abram Ski Area Wednesday evening. Tickets for the Awards Dinner are available at area businesses or at Carnival Headquarters, Robert Crane's Office, Bethel.

Entrants should keep in mind that the carnival theme is "Back Home Again" and that an application is essential. Applications are available at Robert Crane's office. Reputable sources indicate that many entries are in the works—surely no one can bemoan the lack of that essential ingredient—SNOW!

DINNER DANCE PLANS FINALIZED FOR FEB. 22

Barbara and Dana Douglass, co-chairmen of the Winter Carnival Dinner Dance which is being held on Saturday, Feb. 22, at Mt. Abram beginning at 6:30 p. m. announce that plans are now finalized.

Reservations are still available but must be made by Wednesday, Feb. 19. For reservations call Sue Landers at 824-2067.

A social hour begins at 6:30 p. m. At 7:30 p. m. a buffet supper will be served. This replaces Mt. Abram's regularly scheduled Saturday night buffet.

The style show under the direction of Rachel MacKay, chairman, and Lillian Conant, coordinator starts at 8:15 p. m. Participating shops include Mount Abram Ski Shop, Rolfe's Apparel, and Wool 'n' West. A gift certificate redeemable at the shop of the winner's choice will be drawn after the show.

Proceeds of the dance will help to support the many award competitions planned during the nine-day Winter Carnival sponsored by the Chamber of Commerce, during which hundreds of visitors are expected to attend.
